Doctoral student entering with a bachelor's degree = 10 semesters

Doctoral student entering with a master's degree from the U = 6 semesters

Doctoral student entering with a master's degree from elsewhere = 8 semesters

Students who are RAs during Spring or Fall semester can receive Tuition Benefit for 3 credits during Summer semester, as long as they continue to be supported as RA's through the summer. Summer is not counted toward the TBP Limit.

An additional 2 semesters of TBP support are available for some TAs. See website for details.

Subsidized Graduate Student Health Insurance

Available to TAs and RAs who are receiving a full 100% tuition benefit. They can be both a TA and RA, with the total adding up to 100% tuition benefit to qualify. The insurance is the same Student Health Insurance policy offered to all U students. Coverage for dependents is not subsidized. Rates and brochures are available at www.uhcsr.com/utah.

Qualifying students pay 20% of the premium and The Graduate School pays the remaining 80% at the start of the semester. Throughout the semester, The Graduate School is reimbursed via bi-monthly payroll deductions from the TA benefit pool or RA benefit allotment.
