Subsidized insurance is available to TAs and RAs who are receiving a full (100%) tuition benefit. Students may be a combination of TA and RA, with the total adding up to 100% tuition benefit to qualify. The insurance is the same Student Health Insurance policy offered to all U students. Coverage for dependents is not subsidized. Rates and brochures are available at www.uhcsr.com/utah.

IMPORTANT: Qualifying students pay 20% of the premium and The Graduate School pays the remaining 80% at the start of the semester. Throughout the semester, The Graduate School is reimbursed via bi-monthly payroll deductions from the TA benefit pool or RA benefit allotment. These charges will appear on the management report of the fund that the student is paid from. For this reason, RA’s must be paid from a grant that has a benefit allotment for each student researcher. If there is no benefit allotment available on the grant that the student is paid from, they should be coded as a GA and not included on the subsidized health insurance.

To add a student to the subsidized insurance program:

Simply check the insurance box when adding the student to the tuition benefit report. If it is near the TBP deadline and the system is not allowing you to check the box for a particular student, please contact Jolyn Schleiffarth in the Graduate School immediately. Do not wait until the TBP data entry deadline has passed.

Dependents of Subsidized Grads:

Health insurance coverage for dependents is not subsidized. Students who wish to add dependents to their policy may do so any time during the open enrollment period by going to www.uhcsr.com/utah and clicking on “Request Dependent Coverage.”

United Health Care Information 2016-17:

Website: www.uhcsr.com/utah
Customer Service: 1-800-767-0700

ID Cards
All students that are signed up for United HealthCare should receive an email approximately 10 business days after enrollment that explains how to set up an online account and print their United Health Care ID card. If they don’t receive the email, please have them call the number above, then go to uhcsr.com/utah to set up an account and print the ID card.

For those departments that submit payment directly to United HealthCare for some of their voluntary graduate students:

Most of you have been set up on the Voluntary Enrollment Spreadsheet with a location number that is specific to your department. Please be careful to use your unique location number in Column D of your spreadsheet. Submit spreadsheets to sidpremium@uhcsr.com. If you have not been set up on the Voluntary Enrollment Spreadsheet, please email Jolyn Schleiffarth (tuitionbenefit@gradschool.utah.edu) with your ORG ID, Department, Name, and Email Address.

Once you receive an invoice from UHC, payment should be submitted to:
"United Healthcare Student Resources"
2301 W. PLANO PKWY SUITE 300, PLANO, TEXAS 75075

Please include a copy of the invoice with payment.
Include the school year, policy number(s), option, and invoice number on the check.

For additional information, please refer to gradschool.utah.edu/tbp or contact us: tuitionbenefit@gradschool.utah.edu or 1-6020.

Coverage Periods:

The subsidized insurance is split into two biannual coverage periods:

Fall Subsidized Insurance Program: 8/16 – 2/14 (Student pays 20% = $184.80)
Spring Subsidized Insurance Program: 2/15 – 8/15 (Student pays 20% = $184.80)

If you have students who WERE NOT enrolled in the subsidized insurance program for Fall, but WILL be enrolled for Spring, they may have a coverage gap from 1/1 – 2/14. Students in that category can purchase insurance for that six-week period for an additional cost of $225. **If you have students that would like to be added for that 6 week period, please send a list of names and unids to tuitionbenefit@gradschool.utah.edu by January 31.** $225 will be charged to the student's account in addition to the $184.80 for Spring coverage.

Spring Gap Coverage: 1/1 – 2/14 $225 (student pays 100%)

Summer Coverage:

There is no new enrollment in the subsidized insurance program in the summer. Students enrolled in the subsidized program for spring are enrolled through August 15th.

Students who were not enrolled in the subsidized plan for spring have the option to enroll on a voluntary basis for summer and pay the full premium. They can do that at www.uhcsr.com/utah.

Students Who are Subsidized in Fall, but not Spring:

If you have students who were subsidized in Fall, but won't be subsidized in Spring, here are your options:

1. If your department is paying for the student, or if you plan to collect the premium from the student directly, use the voluntary enrollment spreadsheet and select the second semiannual period (period code I2) to cover them from 2/15/17 - 8/15/17. The premium is $924.

2. If the department is not paying and the student needs to submit their own enrollment, please have them use the special enrollment form provided by United Health Care so that they can enroll for the second semi-annual period. Otherwise they will be charged for more coverage than they need. The form is only for students who were on the subsidized plan for Fall, but will not be subsidized for Spring. Email tuitionbenefit@gradschool.utah.edu if you need a copy of the form. The premium is $924 for the period of 2/15/17 - 8/15/17.

For additional information, please refer to gradschool.utah.edu/tbp or contact us: tuitionbenefit@gradschool.utah.edu or 1-6020.
