**“Departments hiring GA’s outside of their department must get permission from the Graduate School to allow those students to utilize tuition benefit.”**

**Students lose their TBP support and are charged for their tuition when they a) drop below 9 credit hours (even briefly) after the 15th day of the semester, b) receive less than the minimal financial support, or c) otherwise fail to meet requirements.**

**Qualifying Payroll/Stipend Dates for Contributing to Minimum Support Levels**

Payroll and/or stipend payments must occur within the following date ranges in order to count toward the minimum support level:

- **Fall Semester**: August 16 to December 31
- **Spring semester**: January 1 to May 15.
- **Summer semester**: May 16 to August 15

**Limits on TBP**

- Master’s students = 4 semesters (Fall & Spring)
- Doctoral student entering with a bachelor’s degree = 10 semesters
- Doctoral student entering with a master’s degree from the U = 6 semesters
- Doctoral student entering with a master’s degree from elsewhere = 8 semesters
- *Students who are RAs during Fall or Spring semester can receive Tuition Benefit for 3 credits during Summer semester, as long as they continue to be supported as RAs through the summer. Summer is not counted toward the TBP Limit.

**Subsidized Graduate Student Health Insurance**

Available to TAs and RAs who are receiving a full 100% tuition benefit. Participants may hold both an RA and TA position (with the total adding up to 100% tuition benefit) to qualify. The insurance is the same Student Health Insurance policy offered to all U of U students, but includes dental/vision coverage and the premium is subsidized. Coverage for dependents is not subsidized.

Qualifying students are billed for 20% of the premium through Income Accounting. The Graduate School pays the remaining 80% at the start of the semester. Throughout the semester, the Graduate School is reimbursed via bi-monthly payroll deductions from the TA benefit pool or RA benefit allotment. For this reason, RAs must be paid from a grant (5000 fund) that has a benefit allotment for each student researcher.
