Preamble: Academic programs are at the center of the educational mission of Utah's state colleges and universities, and the pursuit of knowledge is the driving consideration for the students served. Additionally, the Board of Regents (Regents) and the Utah System of Higher Education (USHE) universities and colleges are committed to providing students with a range of degrees and other credentials that are appropriate to the respective missions of Utah institutions and that meet, if not exceed, national standards.

The procedure of degree approval is rigorous. The idea for a new degree comes from faculty responding to changes in a specific field, accreditation standards, student demand, or market forces. Before academic programs are sent to the Regents for review, they undergo careful scrutiny by academic departments, college or division committees, academic senates, executive officers, and institutional boards of trustees. Thus, institutional and Regents' reviews hold academic programs to high standards of quality and assure that graduates who earn these degrees and credentials are prepared to live successfully in and contribute to the welfare of the State and its citizens.

R401-1. Purpose. To provide guidelines and procedures for Regents' approval and notification of new programs and programmatic and administrative changes in academic and Career and Technical Education (CTE) programs. Additionally, this policy includes notification of discontinued programs and other program-related items that institutions shall provide to the Commissioner of Higher Education.

R401-3. Definitions

3.1. Chief Academic Officer (CAO): The person designed by a USHE institution as its Chief Academic Officer who is responsible for matters related to the academic affairs of the institution.

3.2. Classification of Instructional Programs (CIP) Code: The code associated with a particular program of study as specified by the USHE institution in concert with the National Center for Education Statistics (NCES) taxonomy of programs.

3.3. Career and Technical Education (CTE): Designation given to certain programs consistent with state and national Career and Technical Education definitions.

3.4. Graduate Certificate: A program of study, less than a year in length, made up of graduate level course work, with a pre-requisite of at least a Bachelor's degree.

3.5. Office of the Commissioner of Higher Education (OCHE): The Utah Commissioner of Higher Education and his/her staff.

3.6. Program Review Committee (PRC): A subcommittee of the Board of Regents' Programs and Planning Committee responsible for academic program review.

3.7. Programs and Planning Committee: A committee of the Board of Regents responsible for planning and program review.

3.8. Utah System of Higher Education (USHE): A system of public higher institutions as designated by the legislature within the State of Utah.

3.9. Certificate of Proficiency: A program of study that can be constructed in two ways: (1) less than a year in length (less than 30 semester credit hours, or less than 900 clock hours) ending in a certificate issued under the authority of the institution, not requiring approval by the Board of Regents, or (2) 600 - 899 clock hours or 16 – 29 semester credit hours, meeting federal financial aid requirements, and requiring approval by the Board of Regents.

3.10. Certificate of Completion: A program of study more than a year in length (30-33 semester credit hours or 900-990 clock hours) authorized by the Board of Regents, and approved through the new program approval process. Based on compelling reasons, exceptions to the maximum credit hour requirement may be granted by the Regents.

3.11. Emphasis: A collection of courses within an Associate of Applied Science or a Bachelor's Degree that give the student a specific focus in a particular sub-area related to the identifiable core of courses required for the degree.

3.12. Pre Major: The term “pre major” is used in two contexts: (1) as a descriptor of a set of courses that are part of the Associate of Arts/Associate of Science degrees designed to prepare students for upper-division majors' work; and, (2) at four-year institutions not offering an AA or AS degree, the term “pre major” also applies to preparatory, lower-division courses required for acceptance into a major.
3.13. **Articulation Agreement:** A written document that specifies the terms and conditions for articulating courses and/or programs between institutions. The agreement is approved by the receiving institution and aligns course work between originating and receiving institutions. General articulation agreements are made during the annual Faculty Discipline Majors' Meetings.

3.14. **Program:** As specified in R481-3.9.2., a "program" is a unit within the institution with an identifiable teaching, research, or other academic mission. For a unit to be designated as a "program," it shall have an identified group of faculty and shall fulfill one or more of these criteria: (1) has "program," "center," "institute," "laboratory," "department," "school," or "college" in its title or has otherwise been designated as a program; (2) offers or administers a degree, certificate, or some other credential; (3) has an identifiable curriculum or is formally described in current institutional catalogs or other publications; (4) has a separate budget as listed in official university documents.

R401-4. **Regents’ Approval.** Institutions submitting program proposals requiring Regents’ approval shall adhere to the procedures shown in R401-4.2 and summarized in **Appendix A: Flow Chart for Procedures for Items Requiring Regent Approval.** When submitting proposals to the OCHE for one of the items specified in R401-4.1, the institution should use the template specified for each item in R401-4.1 and follow the Proposal Notification and Submission Procedures (R401-7).

4.1. **Program Items Requiring Regents’ Approval.** Items requiring Regent approval are as follows. A definition and/or description of conditions for the type of item proposed follows each item.

4.1.1. **Credit/Non-credit Certificates of Proficiency Eligible for Financial Aid and Certificates of Completion (Full Template Required, Appendix B).** If financial aid is to be provided for a certificate, the CAO will submit a full proposal to the Commissioner’s staff for approval through the regular approval process or, for CTE programs needing immediate approval, through the Fast Track Procedure (R401-4.3). CTE certificates of this type shall go through the Regional Career and Technical Education Planning process, as implemented in the proposing institution’s region.

4.1.2. **Associate of Applied Science (AAS) Degrees (Full Template Required, Appendix B).** Programs of study intended to prepare students for entry-level careers. A minimum of 63 and a maximum of 69 credit hours are required. Additionally, general education requirements that are less extensive than in AA or AS degrees and others, as established by USHE institutions and in compliance with the Northwest Association of Colleges and Universities are required. Based on compelling reasons, exceptions to the maximum credit hour requirement may be granted by the Regents.

4.1.2.1. **Major.** The term “major” refers to the discipline in which the degree resides. The major may include one or more “emphases” to describe sub-units of the Associate of Applied Science degree.

4.1.2.2. **Emphasis.** AAS degree programs may have collections of courses within the major called an “emphasis” that give the student a specific focus in a particular sub-area related to the identifiable core of courses required for the degree. Emphases require approval by the Regents. When a new AAS degree is proposed, emphases identified for the degree (if any) should be clearly described within the full proposal for the degree. See R401-5.1 for conditions regarding submission of emphases on existing degrees. Emphases must be clearly within the major field of study specified for the degree. Emphases under an AAS degree must be assigned the same CIP code as the major.
4.1.3. **Associate of Arts (AA) and Associate of Science (AS) Degrees (Full Template Required, Appendix B).** Programs of study primarily intended to encourage exploration of academic options that provide a strong general education component, and prepare students for upper-division work in baccalaureate programs or prepare for employment. A minimum of 60 and a maximum of 63 credit hours, which include 30 to 39 credit hours of general education course work and other requirements as established by USHE institutions, are required for completion of an associate's degree. The Associate of Arts degree may have a foreign language requirement. Based on compelling reasons, exceptions to the maximum credit hour requirement may be granted by the Regents.

4.1.3.1. **Pre Major.** Courses contained in a pre-major in an AA or AS degree should be the same or similar to courses offered at four-year institutions as determined by the Faculty Discipline Majors committees. When a pre major is designed for transfer to (a) four-year program(s), it must follow statewide articulation agreements where such agreements have been formulated subject to (R470) or, if this is a specialized program, have (a) formal, written, articulation agreement(s) for the courses transferring. The program outline (advising sheet) should clearly designate the courses that will transfer to a four-year program major and those that will not transfer to the major, but may count as electives in a baccalaureate degree.

4.1.3.2. An “Emphasis” may not be defined within an AA or AS degree.

4.1.4. **Specialized Associate’s Degrees (Full Template Required, Appendix B).** Specialized Associate’s Degrees are programs of study that include extensive specialized course work, such as the Associate of Pre-Engineering, are intended to prepare students to initiate upper-division work in baccalaureate programs. These programs contain a minimum of 68 and a maximum of 85 credit hours, which include a minimum of 28 credit hours of preparatory, specialized course work, general education requirements that may be less extensive than in AA or AS degrees, and other requirements as established by USHE institutions. Because students might not fully complete an institution’s general education requirements while completing a specialized associate’s degree, they are expected to satisfy remaining general education requirements in addition to upper-division baccalaureate requirements at the receiving institution. Generally, specialized associate’s programs are articulated from two- to four-year majors. In some cases, articulation may be system-wide.

4.1.5. **Bachelor of Arts (BA), Bachelor of Science (BS), and Professional Bachelor’s Degrees (Full Template Required, Appendix B).** These are programs of study including general education, major course work, and other requirements as established by USHE institutions and accreditation standards. Credit requirements include completion of a minimum of 120 and a maximum of 126 credit hours. However, some professional bachelor’s degrees, such as the Bachelor of Business Administration or Bachelor of Fine Arts, may have additional requirements. Other disciplines such as engineering and architecture may exceed the maximum of 126 credit hours to meet accreditation requirements. Based on compelling reasons, exceptions to the maximum credit hour requirement may be granted by the Regents.

4.1.5.1. **Major (Full Template Required, Appendix B).** The term “major” refers to the discipline in which the degree resides.

4.1.5.2. **Minor (Abbreviated Template required, including the curriculum, Appendix G).** The term “minor” refers to a coherent collection of related courses that are deemed to be a student’s secondary field of academic concentration or specialization during
undergraduate studies. A Minor which is presented within a Bachelor's Degree proposal will be identified and included in the full template.

4.1.5.3. **Pre-major.** A pre major for a BA/BS or Professional Bachelor's Degree may be specified by the institution, but does not require Regent approval. The pre major should consist of preparatory, lower division courses which prepare students for a specific major, but are not sufficient to admit the student to the major in cases where the institution has admission requirements and a limited number of students who may pursue a particular major. Courses in a pre major should be the same or similar to those offered by the two-year programs as determined by the Faculty Discipline Majors committees. When a pre major affects students transferring from two-year institutions, formal articulation agreements are desirable and students should be clearly informed of the transferability of the courses taken in the pre major at the two-year institution.

4.1.5.4. **General Studies Bachelor’s Degrees (Full Template Required, Appendix B).** See General Studies Bachelor’s Degrees Guidelines, Appendix C, for conditions that should be met in the design of General Studies Bachelor's Degrees.

4.1.6. **K-12 School Personnel Programs (Full Template Required, Appendix B).** Endorsement and licensure preparation programs for teacher education, counselors, administrators, and other school personnel.

4.1.7. **Master’s Degrees (Full Template Required, Appendix B).** Graduate-level programs of study requiring a minimum of 30 and maximum of 36 credit hours of course work beyond the bachelor's degree and other requirements as established by USHE institutions and accreditation standards. Professional master’s degrees such as the Master of Business Administration or Master of Social Work may require additional course work or projects. Specialized professional master’s degrees typically require additional course work. Based on compelling reasons, exceptions to the maximum credit hour requirement may be granted by the Regents.

4.1.8. **Doctoral Degrees (Full Template Required, Appendix B).** Graduate-level programs in an advanced, specialized field of study requiring competence in independent research and an understanding of related subjects.

4.1.9. **Fast Track Programs (Full Template Required, Appendix B).** Certificates of Proficiency needing approval for financial aid, and Certificates of Completion, may be submitted for Fast Track approval.

4.1.10. **Follow-up Reports on Approved Programs (New Programs Follow-up Report Template Required, Appendix D).** All programs approved by the Regents require a report three years after implementation or two years after implementation for programs approved under the Fast Track procedure.

4.2. **Review Procedure for Program Items Requiring Regent Approval – Not Fast Track.** (Fast Track Procedure is described in R401-3.) Programs requiring Regent Approval will be reviewed by the following entities and in the order specified. This review procedure is summarized in the flowchart in Appendix A.

4.2.1. **Review and Approval by the Institutional Board of Trustees.**
4.2.2. Review by Specialized Groups. Review by specialized groups may be conducted concurrently with review by the Boards of Trustees, if such concurrent review is consistent with institutional policies and procedures. The following types of programs require specialized review as noted.

4.2.2.1. K-12 School Personnel Programs. K-12 school personnel preparation programs shall be reviewed by the USHE schools and colleges of education.

4.2.2.2. Career and Technical Education (CTE) Programs. CTE programs shall go through the Regional Career and Technical Education Planning process, as implemented in the proposing institution's region, which has the primary purposes of: (1) Planning CTE certificate and associate’s degree programs that are responsive to the needs of business/industry and the citizens of the region, and providing a transition for secondary students into postsecondary programs, and (2) avoiding unnecessary duplication of CTE certificate and degree programs among higher education institutions in a region. Results of the review process shall be provided to the Regents when a CTE program proposal is submitted for approval.

4.2.3. Institutional Submission of Request to OCHE. See R401-7, Proposal and Notification Submission Procedures, and appropriate Template instructions.

4.2.4. Review by the Commissioner's Staff. Full program proposals will be forwarded to the Commissioner's Academic Affairs staff for review and comment. The financial analysis document may be reviewed by the Commissioner's Finance staff in order to verify financial data.

4.2.5. Review by Council of Chief Academic Officers (CAOs). After the Commissioner's staff has reviewed the proposal, it will be posted to the USHE website designated for program items to be reviewed by CAOs. The CAOs must review and post their comments for response from the other CAOs concerning the full proposal. Prior to review by the PRC, the Council of Chief Academic Officers will meet with the Commissioner's Academic Affairs staff to discuss the institutional proposals and the comments submitted by other USHE institutions, external reviews, and initial evaluation from the Commissioner's staff. This discussion will be considered by the Commissioner’s Academic Affairs staff in preparing materials and recommendations for the Regents.

4.2.6. Review by Program Review Committee (PRC). Once the CAOs and Commissioner’s staff have commented, the full program proposal and all attendant issues will be forwarded for review by the PRC. The PRC will review the program proposal and accompanying information, discuss any questions and issues, and request additional information as appropriate, including a request for a consultant to review the proposed program and surrounding issues. In the case a consultant review is requested, the proposing institution will provide to the Commissioner’s staff a list of appropriate consultants. The staff will contact a consultant acceptable to the institution and to the Commissioner’s staff and arrange for the review. Once the consultant’s report has been completed, it will be made available to the PRC, the proposing institution, and the CAOs. As programs are reviewed, at the request of the PRC, additional individuals may be asked to attend the meeting.

4.2.7. Consideration by Board of Regents. Program proposals that have been reviewed according to the procedures described in 4.2.1 – 4.2.6 will be placed on the Regents’ agenda as directed by the Program Review Committee. The Commissioner's review for the Regents will address not only the readiness of the institution to offer the program and the need for the program, but also the impact of the program on other USHE institutions. The Regents’ Programs and Planning Committee reviews proposals for new programs or program changes and recommends action to the
Regents. The Regents then take action on the proposed program during the meeting of the committee of the whole or through the General Consent calendar, as appropriate.

4.2.7.1. Voting for Approval by Board of Regents. All new associate’s and bachelor’s degree programs must be approved by a majority vote of the Regents members in attendance. All new master’s and doctoral degree programs require at least a two-thirds majority of the members in attendance to be approved.

4.2.7.2. Budgetary Considerations Separate from Approval. Program approval by the Regents consists only of authorization to offer a program. Budget requests necessary to fund the program shall be submitted separately through the regular budget procedure.

4.3. Review Procedure for Program Items Requiring Regent Approval – Fast Track.

4.3.1. Eligible Programs for Fast Track Approval (Full Template Required, Appendix B). Certificates of Proficiency needing approval for financial aid and Certificates of Completion may be submitted to the Commissioner for Fast Track approval.

4.3.2. Fast Track Approval Requirements and Process. The Fast Track Approval Process is detailed below and summarized in the Flow Chart for Fast Track Program Approval, Appendix E.

4.3.2.1. Review and Approval by Institutional Board of Trustees. The certificate must have been approved by the institution’s internal program development and approval procedure.

4.3.2.2. Review through the Career and Technical Education Regional Planning Process. Institutional CTE Directors coordinate regional planning processes.

4.3.2.3. Institutional Submission of Request to OCHE Academic Affairs Staff. See R401-7, Proposal and Notification Submission Procedures, and appropriate Template instructions.

4.3.2.4. Review by OCHE Academic Affairs Staff and Commissioner Response. The OCHE Academic Affairs staff will review the proposal and recommend action to the Commissioner. Within 15 days of the item being received by OCHE, the institution will be notified that either: (1) further information is required by the Commissioner, or (2) the item is being returned with approval for immediate effect.

4.3.2.5. Regent Consideration. The program will be placed on the General Consent Calendar of the next Regents’ meeting.

4.3.3. Two-Year Review of Programs Approved through the Fast Track Procedure (Report Template Required, Appendix D). Institutions operating programs approved through the Fast Track procedure must submit a report to the Commissioner’s Academic Affairs staff for review two years from the date the program is implemented. Once the report has been reviewed and found to contain the required information, it will be posted on a website for review by PRC members if they so choose, and forwarded to the Regents for the next agenda. The Regents may request information in addition to that contained in the report.

R401-5. Review by OCHE with Return to Institutional Boards of Trustees If No Concerns Exist. Institutions submitting proposals under R401-5 shall adhere to the procedures shown in R401-5.2 and summarized in Appendix
5.1. Program Items to be Reviewed by OCHE and Returned if No Concerns Exist.

5.1.1. Emphasis.

5.1.1.1. The proposing institution shall submit an Abbreviated Template, with the program curriculum section (Appendix G) to add an emphasis to an existing degree.

5.1.1.2. Emphasis Contained within a Proposal for a New Degree. When an emphasis is contained within a degree being presented for initial approval, the emphasis should be identified within the new degree proposal and approved through the new degree approval process (see R401-4).

5.1.2. Certificates of Proficiency Not Eligible for Financial Aid (Abbreviated Template Required, Appendix G). CTE programs of less than 900 clock hours that do not require approval for financial aid.

5.1.3. Out-of-Service-Area Delivery of Programs (Abbreviated Template Required, Appendix G). Programs that require substantive change notification to the regional accreditation organization and/or are offered outside of the institution’s designated service area (see R315, Service Area Designations and Coordination of Off-Campus Courses and Programs; R350-55, Education Television and Communications Networking; and R508, Guidelines for Approving Lists of Comparable Institutions).

5.1.4. Name Changes of Existing Programs (Abbreviated Template Required, Appendix G).

5.1.5. Transfer, Restructuring, or Consolidation of Existing Programs (Abbreviated Template Required, Appendix G).

5.1.6. Discontinuation or Suspension of Programs (Abbreviated Template Required, Appendix G).

5.1.6.1. Discontinuation. Discontinuation of a program consists of completely removing the program from the institution’s and the Board of Regents’ list of approved programs, after current students have an opportunity to complete.

5.1.6.2. Suspension. Suspension of a program is a temporary prohibition of new enrollments to the program. The program will remain on the Board of Regents’ list of approved programs and may, according to the institution’s discretion, remain in the online and/or printed catalog until fully discontinued.

5.1.6.3. Student Completion. Students currently admitted to the program must be provided a way to complete the program in a reasonable period of time compatible with accreditation standards. This may require:

a. Enrollment of students at other institutions of higher education, or
5.1.6.4. **System Coordination.** Institutions should consider the statewide impact of discontinuing the program and identify opportunities for establishing the program at another USHE institution. Institutions should consider discontinuance of unnecessarily duplicated programs within the USHE, particularly programs that may be high cost and/or low producing.

5.1.7. **Creation, Transfer, Restructuring, or Consolidation of Existing Administrative Units** *(Abbreviated Template Required, Appendix G).*

5.1.8. **New Centers, Institutes, or Bureaus** *(Abbreviated Template Required, Appendix G).* Administrative entities that perform primarily research, instructional, or technology transfer functions and are intended to provide services to students, the community, businesses, or other external audiences, or to obtain external funds.

5.1.9. **Graduate Certificates** *(Abbreviated Template Required, Appendix G).* A program of study, less than a year in length, made up of graduate level courses, with a pre-requisite of at least a Bachelor's degree.

5.2. **Review Process for Program Items Requiring OCHE Review with Return to the Institution if No Concerns Exist.** See Appendix F for the flowchart of this process.

5.2.1. **Review and Approval by Institutional Board of Trustees.**

5.2.2. **Institution Submits Request to the OCHE.** See R401-7, Proposal and Notification Submission Procedures.

5.2.3. **OCHE Staff Review.**

5.2.4. **CAO Review (optional, necessity determined by OCHE staff).** The OCHE may share proposals with the institutional CAOs for further feedback as needed.

5.2.5. **OCHE Notice to the Institution of Need for Further Information or Approval.** Within 15 days of the item being received by OCHE, the institution will be notified that either: (1) further information is required by the Commissioner, or (2) the item is being returned with approval.

5.2.6. **OCHE Staff Places Item on the Regents’ General Consent Calendar for approval.**

R401-6. **Items Approved by Institutional Boards of Trustees with Notice to OCHE.** The program items specified in R401-6.1 will be the responsibility of the institutional Boards of Trustees. Institutions submitting proposals under R401-6 shall adhere to the procedures shown in R401-6.2 and summarized in **Appendix H: Flow Chart for Items Approved by Institutional Boards of Trustees with Notice to OCHE.** When providing notice to the OCHE for one of the following items, the institution should use the template specified for each item in R401-6.1, and follow the Proposal Notification and Submission procedures (R401-7).

6.1. **Program Items Requiring Approval by Institutional Boards of Trustees with Notice to OCHE.**
6.1.1. Reinstatement of Previously Suspended Program or Administrative Unit (Abbreviated Proposal Template Required, Appendix G). If circumstances change and an institution plans to restart a suspended program or an administrative unit, the institution must give notice to the Board of Regents. Notice should include a statement verifying the program name, administrative unit structure and/or the curricular content are identical to the original program. If either the name or curricular content of the program have changed, the program should be submitted as a new program and the suspended program should be deleted.

6.1.3. List of Scheduled Program Reviews. The annual list of scheduled program reviews as defined in R411, Review of Existing Programs, including date of review. The list is due at the beginning of each September.

6.1.4. Programs under Development or Consideration (Program Planning Report Required, Appendix I). These planning documents will provide Regents with a system-wide view of the programs that may be brought to them for approval.

6.1.4.1. Continuous Update. The information in each matrix is to be updated whenever the status of a program changes or a new program is being considered. Once a program has been approved by the Regents or is no longer under consideration at an institution, it should not appear in the matrix.

6.1.4.2. Submission Timeline for Program Planning Report. In February of each year, each institution shall submit an updated program planning report of programs under development or consideration that may be brought to the Regents for formal approval within the next 36 months.

6.2. Review Process for Items Requiring Approval by Institutional Boards of Trustees and Notice to OCHE.

6.2.1. Review and Approval by Institutional Board of Trustees.

6.2.2. Institution Submits Notice to OCHE. See R401-7 and the instructions for the appropriate template for submission guidelines.

6.2.3. OCHE Staff Review. OCHE Academic Affairs staff reviews the notice to assure the action requested is clear and documents the information in OCHE files and data bases.

7.1. Proposal Templates. The template required for each type of item is specified in the listing of items (R401-4.1, R401-5.1, and R401-6.1). For those approvals requiring only an Abbreviated Proposal Template, the Commissioner reserves the right to require a more detailed proposal, including a full proposal, if questions or concerns are raised.

7.1.1. Classification of Instructional Program (CIP) Codes. When preparing the submission template, the institution must choose an appropriate CIP code. For CIP code classifications, see: http://nces.ed.gov/ipeds/cipcode/Default.aspx?y=55. The CIP code is a critical data element and will be recorded by the OCHE and used for data requests, reporting, and tracking.
7.1.1.1. **CIP Codes for All Programs except Apprenticeship Programs.** Only one CIP code will be accepted per program—including all emphases under that program. The only exception is for apprenticeship programs.

7.1.1.2. **CIP Codes for Apprenticeship Programs.** The institution will be allowed to use multiple appropriate CIP codes for different apprenticeship emphases. These CIP codes will be recorded by the OCHE for data requests, reporting, and tracking.

7.2. **Proposal Style.** All submissions must:

7.2.1. Be written in a formal style, using third person.

7.2.2. Use Arial Narrow 12-point font, single-spaced. Remove italics when using templates.

7.2.3. Have 1” margins.

7.2.4. Be sent to the Commissioner’s Academic Affairs staff as an electronic word processing document (preferably Microsoft Word).
