

## NSF Graduate Research Fellowship Program

### Eligible Majors – Geoscience

- Aeronomy
- Artificial Intelligence
- Atmospheric Chemistry
- Biogeochemistry
- Biological Oceanography
- Chemical Oceanography
- Climate and Large-Scale Atmospheric Dynamics
- Computationally Intensive Research
- Geobiology
- Geochemistry
- Geodynamics
- Geomorphology
- Geophysics
- Glaciology
- Hydrology
- Magnetospheric Physics
- Marine Biology
- Marine Geology and Geophysics
- Other (specify)
- Paleoclimate
- Paleontology and Paleobiology
- Petrology
- Physical and Dynamic Meteorology
- Physical Oceanography
- Quantum Information Science
- Sedimentary Geology
- Solar Physics
- Tectonics
