

## NSF Graduate Research Fellowship Program

### Eligible Majors – Life Science

- Artificial Intelligence
- Biochemistry
- Bioinformatics and Computational
- Biology
- Biophysics
- Cell Biology
- Computationally Intensive Research
- Developmental Biology
- Ecology
- Environmental Biology
- Evolutionary Biology
- Genetics
- Genomics
- Microbial Biology
- Neurosciences
- Organismal Biology
- Other (specify)
- Physiology
- Proteomics
- Quantum Information Science
- Structural Biology
- Systematics and Biodiversity
- Systems and Molecular Biology
